2. Contents : body weight and height, chest X-ray exam, medical history,  
blood pressure and pulse rate, blood tests, electrocardiography,  
urinalysis, mental health check sheet, (If you have worry or mental health  
problem, You can see psychiatrist)

3. Place : The University of Tokyo, Division for Health Service Promotion, Komaba Health  
Service Center  
(→ Map on the other side).

4. Please be sure to bring your student ID card

5. Requirements relating to the Health Check-up :

- 1) Please dress casually for the chest X-ray examination.: It is advisable that women wear a thin plain-colored T-shirt without buttons and metal fittings. A T-shirt may be available at the X-ray examination.
- 2) All the students in the University of Tokyo should undergo this health check-up. If you have not done so, you cannot get a medical certificate from the Komaba Health Service Center. You will need this certificate to go on to a doctoral course, to move to another university, to get a job, and to apply for a scholarship fund or a dormitory residence.
- 3) Even if you cannot undergo the health check-up for a fixed period of time due to unavoidable circumstances ( such as hospitalization or studying in a foreign country, ) you should take the check-up at some time. Please ask at the Komaba Health Service Center when you return to the University of Tokyo.

If you cannot come to the Health Check-up, please call the number below at the University of Tokyo Division for Health Service Promotion, Komaba Health Service Center.

Phone: 03-5454-6180
